During that period, Bandai released multiple games for the Nintendo Famicom and its not before 1994 that Bandai decided to go back to its roots.. Two titles were available: Michá King Disc: Séntai Series and Michá King Disc: SaiIor Moon SuperS.. With the failed release of the Design Master Dénshi Mangajuku and the arrival the Casió Loopy, Bandai had to re-evaluate their option.. The Playdia did not have what was required to be in a competitive market Being the only 8-bit console of its generation, the console was not powerful enough to create interesting games visually, relying instead a lot on full-motion video.. With only one title published by a third party ( le Naki Kó Suzu no Séntaku ), the system had to rely constantly on the Bandai IPs which
